

**A Letter From Me, To Me**  
**Written April 27-29: Mail Date August 2018**

*The greatest impact WINiT has on the lives of our Members is not only the ideas learned that turn into action on Monday morning, but the sustainable actions still in play 3 months from now.*

*During the course of WINiT Summit 2018, we encourage you to write a letter to YOU and with the help of our sponsor, Best Western, we will mail you your letter the first week of August.*

***What do you wish for you and your life  
3 months from now?***

***What actions will you take to ensure your story is heard  
and you are #MakingHistory every day?***

Write your letter to YOU, seal it, address it to YOU and leave it in the box at registration before 12n on Sunday. We will do the rest.
